## PRODUCTION COORDINATORS' LETTER

The production of *Peter Pan Jr.* has been filled with many great times for both the mentors and the kids! Everyone was very excited to get started, but bad weather and school cancellations made it difficult for us to stay on schedule during the beginning of our journey. After returning from numerous show days, we had to work even faster than normal to make up for lost time. Working at a faster pace caused a bit of frustration for everyone, but in the end everyone worked together to make sure that they would have a successful show. Seeing the amazing sets come together and watching the costumes bring life to the show really helped the cast to stay motivated to be amazing! We would like to thank the parents, mentors, set construction crew, community and cast for pulling together to make a great show. We hope everyone enjoys the show and encourage you to join the fun next year!

Thanks so much! *Shayna, Lynde, and Evan*

**Congratulations to our employee and graduating senior at PCHS Brayton Carey!**

**Brayton Carey**

*Hello, ladies and gentlemen, boys and girls! My name is Brayton Carey and I am here to tell you a bit about myself. I am six feet, about two inches tall, weigh around 170 pounds, and love theatre! I helped mentor “The Little Mermaid Jr.” last year and it was a blast (hence why I came back to help with this, “Peter Pan Jr.”). I also work at F&M Home and Building Supplies. I appreciate everyone backstage, all of the young actors and actresses, anyone and everyone who has helped with the show! Without magnificent group of people making it possible... it wouldn't be possible.*

*Enjoy the show!!!*

A Special Thanks to the F&M guys who helped with the *Peter Pan Junior Set!*
