This production is dedicated to the memory of:

Marlene Sue Fisher

Marlene was one of Gibson County Youth Theatre's biggest fans. In addition to supporting all types of performing arts, she loved sports and all other youth-centered activities in the Princeton community. She could frequently be seen at community events cheering for all the students alongside her husband of 34 years, Marvin, who continues in her legacy. Marlene was never without a smile on her face or a kind word for all those around her. She was a very special person and a ray of light in our community. She is greatly missed by those who loved her.

Gibson County Youth Theatre

From the Director....

As always, it has been a privilege to work with some very talented kids from our community. Gibson County Youth Theatre (formerly, Gibson County Summer Musical) is now in its 6th season and is looking forward to some very exciting changes for its 7th season. We will begin by changing our fiscal year to July-June. This way, our new year will start right after our big show of the season and we can begin making plans and fundraising for the following year's shows. It will take a lot of pressure off our staff and youth to get some of the business tasks taken care of in advance so that during the run of a show we can focus solely on the show. As for *Hairspray*, I have had a fantastic time getting to know all the students and watching them gain confidence and stage presence throughout our rehearsal period. We have several kids who that are experiencing theatre for the first time! I would like to thank all those who made this production possible with their many hours of hard work. I am especially grateful for the extra time I was able to spend with my daughter as she prepares to leave for college in the fall. I love you Claire and will miss you next year!

Yours in the Arts, *Stacy M. Hurt* ☺
